Elope To Paradise

TROPICAL WEDDING PACKAGE 2006

Tropical island weddings are getting more and more popular, whether or not you plan to elope to paradise exclusively with your loved one, or with your relatives and friends in tow. Only 1–2 days of residency in St. Lucia are required for non-nationals in order for them to be married in a civil ceremony performed right at the Resort.

At ANSE CHASTANET, weddings are the unique and individual affair they should be, and every ceremony is organized in personal consultation with the bride and groom who can also add their own vows to the civil ceremony. Please also visit www.elopetoparisweddings.com

There is no dedicated “wedding chapel”, instead, the bride and groom choose their own “very special location”, be it the Treehouse, the beach, Kai Mer, the “Miss Ina”, the old colonial plantation, a nearby waterfall, the coral reef or the privacy of their room. **Wedding ceremonies are limited to one a day.**

ANSE CHASTANET will arrange for all legal documents and legal processing.

Legal documents are prepared prior to arrival, based on a questionnaire the bride and groom will need to fill in together with additional required documents.

Catholic Church weddings can also be arranged but take at least 3 months of planning, involving the bride and groom's parish priest at home. The bride and groom need to attend the pre-nuptial sessions with their parish priest who needs to send a confirmation of this to the Resort to pass on to the Archbishop.

The ANSE CHASTANET “ELOPE TO PARADISE” TROPICAL WEDDING PACKAGE includes: All legal processing, lawyer and registrar fees including cost of the Justice of the Peace, cost of wedding licence and marriage certificate; all messenger and transportation services, wedding bouquet, boutonhole for groom, expert services of our wedding coordinator and Anse Chastanet team members to handle all arrangements, choice of wedding locations on 600 acre property including Treehouse and Kai La Mer, witnesses if required, decorated wedding location and decorated wedding arch, 2-Tier Wedding cake, special dinner table for wedding party. Optional services such as photography, videography, pre-wedding spa package, national wedding dress, private sunset post wedding sailing trip, live entertainment are all available. Two witnesses are required and can be arranged by the Resort.

In addition to the wedding package, wedding couples can choose accommodation packages such as the TROPICAL TRANQUILITY or TOTAL ROMANCE PACKAGES.

ORGANIZATIONAL REQUIREMENTS

Time Frame

The normal application process would require that clients spend at least 2 full days on the island prior to the wedding date. These 2 days need to be working days. The actual wedding can be on the third or fourth day of stay. Against a US 200 surcharge, the wedding application can be processed within a 24 hour period (working day, not Sat/Sun) ANSE CHASTANET requires a minimum 5 nights stay in order to arrange for your wedding.

Required Information & Documents

- Passports and/or birth certificates (divorced female partners must provide both)
- The immigration form copy you receive upon entering St. Lucia
- Full addresses / occupation of both
- Divorced partners require the original divorce papers which must show a proper seal or stamp, an official signature and must clearly state the decree absolute of the divorce. If the divorce papers are in a foreign language, a certified translation into English must be obtained prior to arrival and this translation must be brought along in addition to the original divorce papers.
- Widowed to bring along the original death certificate and official translation if in a foreign language.

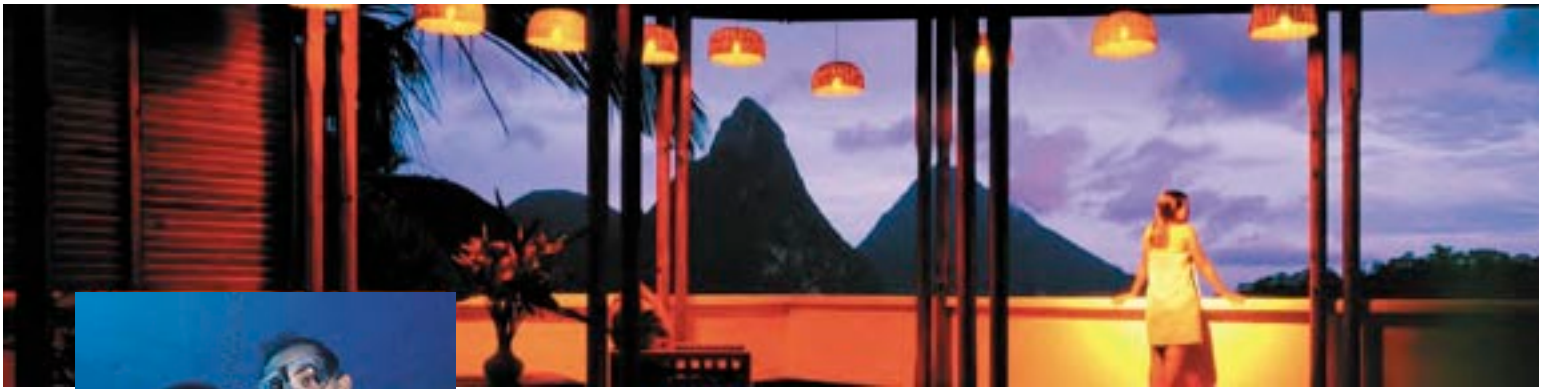

In order to prepare the wedding application prior to guests' arrival all of the required information should be faxed or mailed to the Hotel in copy a few weeks in advance. All documents must be brought along in their original form. After arrival, the legal documents must be signed in presence of a Justice of the Peace, or the lawyer

Wedding Day and Wedding Ceremony

Weddings are usually held in the afternoon between 4-5.30pm. The wedding ceremony is a civil ceremony which is conducted by one of the Island's registrars. The ceremony is legally required to be conducted after sunrise and before sunset. At the end of the ceremony you will receive your wedding license. The registrar is prepared to include in the official ceremony a poem or text of your choosing.

Wedding Locations

ANSE CHASTANET gives guests the freedom of choice as to the location of the wedding. Popular sites are the ANSE CHASTANET treehouse or the beach. Weddings can also be arranged in the guest' rooms, at our Old Colonial Plantation of Anse Mamin, or on board one of our boats. Each wedding is treated as an unique affair. There is no standardized wedding program. The bride and groom can get as involved in all details of the wedding ceremony as they wish and can decide on the location of their wedding after their arrival.

Information Required For Wedding Application

Please fax the form shown below together with copies of your passports and/or birth certificates (divorced female partners must fax both birth certificate and passport) , as well as any other documents (such as divorce document, if relevant , showing decree absolute) to the attention of the Wedding Coordinator; Fax 758-459-7700. The wedding coordinator can only proceed with your wedding plans once an actual resort reservation has been made with ANSE CHASTANET. The optional services can be booked once you have arrived but we always appreciate advance notice whenever possible. On the basis of the information you are sending to us, a wedding application will be prepared by us through our lawyer. Once you have arrived at ANSE CHASTANET, these documents which are the formal application will have to be signed by you in front of a notary public. This takes place in the town of Soufriere about 15 minutes from ANSE CHASTANET, and only takes a few minutes. We usually try to have this formality take place right at the Resort. THIS IS THE ONLY FORMALITY YOU HAVE TO PARTAKE IN UNTIL YOUR WEDDING CEREMONY. PLEASE REMEMBER THAT ALL DOCUMENTS MUST BE BROUGHT ALONG IN THEIR ORIGINAL. The copies you are faxing us for preparation of documents will not suffice for the application process in front of the Attorney General. We also require the copy of the immigration form you are usually given upon entry into St.Lucia.
